

Military Admission Policy

In accordance with SB 1348 that governs military admission procedures, the Patricia A. Chin School of Nursing will admit by exception, and give priority to military service members and veterans. Veterans who are California (CA) residents may be able to apply their military experience and training towards licensure requirements. Veterans need only meet the following minimum admission eligibility requirements for Basic Pre-Licensure or RN to BSN Transfer:

1. Admission to the University
2. A minimum 2.75 GPA in all transferable classes and in pre-requisite courses
3. A 40 percentile or better on the TEAS exam in all 4 areas: English, Reading, Math, and Science (Basic Pre-licensure only)
4. Active California RN license (RN to BSN Transfer only).
